## ABOUT THE FRIENDS

The Friends are people who value the library and desire to improve it.

They realize that as part of a group, they can help touch the lives of all who enter the library and use its services.

They volunteer their time to support the library by raising money through book sales, special programs, and events.

They provide resources for children's and adult programs, museum passes, and special equipment and materials which are not covered by regular Town funding.

They co-operate with the director and staff to assist them in serving the community more effectively.

The Friends are a volunteer organization and are always in need of the support of new members to continue this work.

You can join them in their efforts by becoming a Friend. Help us to help the Library!

## Questions and Answers

### Q1. What programs have the Friends supported that I might know?

The Summer Reading Programs, Whitman Reads, various speakers, authors, arts and crafts for all ages, movies, refreshments, etc. They provide support for programs for children of all ages, tweens & teens, adults, and seniors.

### Q2. Who can be a Friend?

You can! Fill out the registration form on the back of this brochure and send it to us, together with your check. You will receive copies of our Newsletter throughout the year and be eligible for our preview sales and discounts.

### Q3. My life is very busy, is it a big time commitment?

You can be as involved as you are able by becoming a dues paying member, or attending meetings and becoming part of the process. Spend an hour or two helping at a fundraiser, or with our membership drive, etc. We would love to hear your suggestions and have your participation to help our library move forward and grow bigger and better.

### Q4. When do the Friends meet?

The Friends meet in the library's Community Room from 6:30-7:30 PM on the second Wednesday of each month, except July & August.

But you don't need to be a member to attend the Friends' meetings. Everyone is welcome to visit!
